

## BIRTHDAY PARTY RULES 2018/2019

### DAYTIME PROGRAMMES

#### PROGRAMMES AND DURATION

The parties are held on Saturdays, Sundays and holidays and they last approximately 3 hours regarding the programmes that include a snack. If you choose not to have the snack at the Pavilion of Knowledge, the party will last approximately 2 hours.

#### **Bouncy Snack** (3 to 10 years old)

Dogs and cats have been our companions since the dawn of civilization, they have followed the evolution of our society and they have played an important role as pets. However, our habits are a bit different. Let's get to know some of these differences: what they eat, how they interact with the world around them and what are their instincts.

Put on the apron and accompany us on this journey through the world of animals through a deliciously bouncy activity. During the visit to the exhibitions, if you are between 3 and 6 years, discover the (new) Unfinished House.

[maximum 25 children]

#### **Life aboard the Space Station** (3 to 10 years old)

Who ever dreamt of being an astronaut? Life in Space is a real challenge. Space scientists work in an environment totally different from the one on Earth. In a microgravity environment, drinking a glass of water is really an adventure. And what will it be like to bath, eat or sleep in space? If you want to find out the answers to all of these questions, this party is for you. Wear the astronaut's suit and climb aboard our knowledge ship. During the visit to the exhibitions, if you are between 3 and 6 years, discover the (new) Unfinished House.

[maximum 25 children]

### **Molecules a la carte (7 to 13 years old)**

What is a molecule? And how does it relate to gastronomy? Molecular cooking hides many secrets. Come explore new ways to create recipes and apply innovative cooking techniques, using the ingredients you usually find in the pantry at home. Ready for a good "water fork"? Come and make a delicious dish and surprise your family and friends.

[maximum 25 children]

### **Pet Robot (8 to 13 years old)**

If you like animals and Robotics is your passion, this activity is for you. Using motors, LEDs and other mechanisms in our enhanced Dòing workshop, let's build your four-legged robotic friend. And in the end do not forget to take him for a walk!

[maximum 25 children]

### **Essential particle? It's you! (3 to 13 years old)**

Do you find science a little boring? After this party you will change your mind... The experiences are spectacular and you will not just be surprised by scientific phenomena: we will also reveal all the physical and chemical principles that are behind each essay. Prepared for an incredible experience at the Pavilion of Knowledge's Lab? During the visit to the exhibitions, if you are between 3 and 6 years, discover the (new) Unfinished House.

[maximum 20 children]

### **360° Experiences (7 to 13 years old)**

If you want to celebrate your birthday in our exhibitions, this programme is for you! Enter an authentic forest of physical phenomena at the Explora exhibition, make your gadgets at the "Dòing" Workshop, travel through the fascinating world of "Cats and Dogs" and challenge yourself to incredible acrobatics and fantastic attractions of the circus world at "Tcharan".

[maximum 35 children]

## Street Science (8 to 12 years old)

Do you like bugs, pebbles and observe everything on the street? Become a small scientist and discover the biodiversity of the surrounding area of the Pavilion of Knowledge. Armed with compass, magnifying glass and measuring instruments, you will collect and record in your field notebook how Science is Well Alive. In the end, do not forget to give everything back to Nature: it is there that these elements belong.

[maximum 25 children; available between May 1 and September 30]

Regarding the snack provided by Cerger, the number of people considered is the number previously set with the Pavilion of Knowledge - Ciência Viva Centre, according to the number of participants indicated by the party's responsible **until the Wednesday before the event.**

The total expense to be paid - for programmes with or without a snack - is the amount corresponding to the number of children indicated in the party's reservation and no deductions are made for children who do not attend the party in the scheduled day. If more participants attend the party than the number indicated at the time of booking, the amount due will be increased by € 14 for each participant. The birthday child must be counted in the total number of children indicated at the time of booking.

It will always be considered only one birthday child. Thus, for each extra birthday child, it will be added the amount of €50.

## SNACK - OPTIONAL

Cheese / Ham Sandwiches | Vegetables mini-quiches | *Merendinhas* with cheese and ham | French fries | Butter cookies | Cakes | Gelatines | Gums | Juices and water. The snack **does not include** the birthday cake that should be brought by the birthday child. The snack is provided by the company Cerger. **If you prefer you can bring your own snack.**

The party begins with the chosen programme, followed by a visit to the exhibition area and it ends with the snack if requested in the booking. The Pavilion of Knowledge - Ciência Viva Centre provides a room for snacking. This room doesn't have a microwave. Regarding disposables (glasses, plates, kitchen cutlery and napkins), these will be provided if the snack is provided by the Pavilion, otherwise the disposables will not be provided.

However, a fridge is available under controlled use. It is also up to the person responsible for the party to set the table for the snack, taking care of the room. An explainer will remain in the snack area to give support. The chosen option must be communicated at the time of booking.

## PAYMENTS

The reservation will require the payment in advance of **€100** and the delivery of the enclosed document duly filled in and signed. This should be made within one week of the booking date, otherwise the reservation will be immediately cancelled.

This payment will only be refunded if the cancellation of the event is communicated to the Pavilion of Knowledge up to 15 days before the party. The remaining payment is made on the party day by the time of the group's entrance in the Pavilion.

## PAYMENTS METHODS
